CHCC2026 in numbers

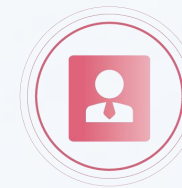

From May 23–25, 2026, the 27th China Hospital Construction Conference & International Hospital Build and Infrastructure Exposition (CHCC2026) was successfully held at the National Exhibition and Convention Center (Tianjin).

92 Specialized Activities
Comprehensive Insights Across the Future Hospital Development Lifecycle

784 Speakers Insights
from World-Class Experts

8,995 Conference Delegates
61.24% Management-Level Decision-Makers

7 Themed Exhibition Halls
40 Specialized Zones
Covering the Full Hospital Procurement Lifecycle

617 Exhibitors
Featuring Fortune Global 500 Companies and Leading Industry Brands

57,931 Professional Visits
54.28% Procurement Decision-Makers
Buyers from 46 Countries and Regions
106 Global Delegations

Highlight 1: A Dynamic Exhibition, Efficient Business Connections

CHCC 2026 featured 7 themed exhibition halls, including pavilions of operational excellence, interior environments, integrated building solutions, cleanroom engineering and equipment, ward improvement, and medical robotics. Within these halls, 40 exhibition zones with 617 suppliers covered the end-to-end hospital construction procurement process, spanning hospital planning and design, mechanical and electrical systems, interior finishing, specialized medical engineering solutions, medical equipment, medical robots, digitally enabled hospital operations, and logistics and operations management.

With 57,931 professional visitors and 106 international delegations, CHCC provided a one-stop platform for sourcing, networking, and knowledge exchange.

Highlight 1: A Dynamic Exhibition, Efficient Business Connections

One-Stop Sourcing & Matchmaking Platform

CHCC2026 launched its new Professional Delegation Program, attracting 106 domestic and international delegations. Participants included government agencies, hospitals, design institutes, and industry associations from China, alongside 15 international delegations, including the Ministry of Health of Kenya, the Vietnam Private Hospital Association, and the Asian Infrastructure Investment Bank (AIIB), creating a dynamic platform for global collaboration and exchange.

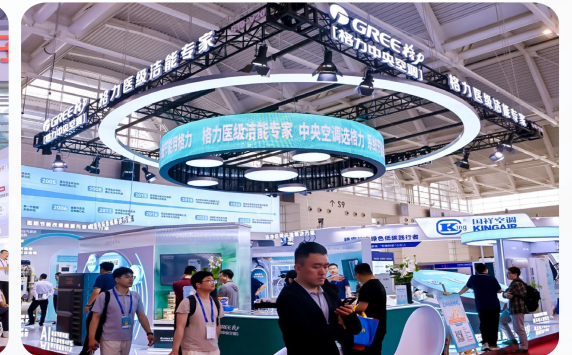

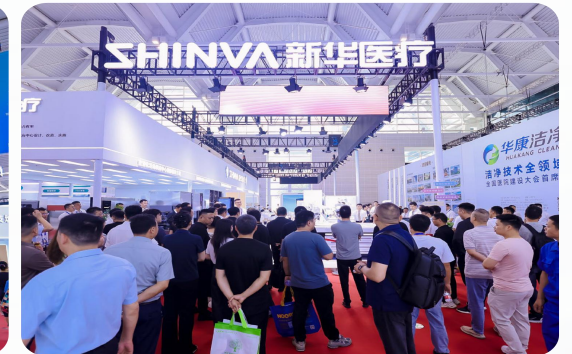

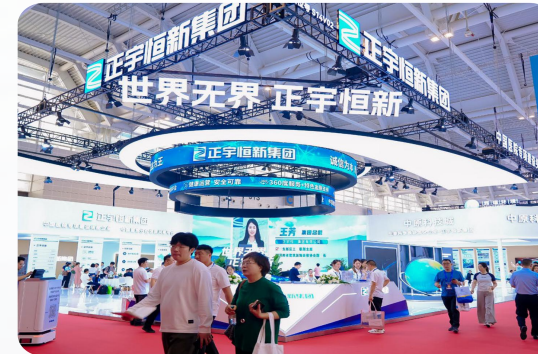

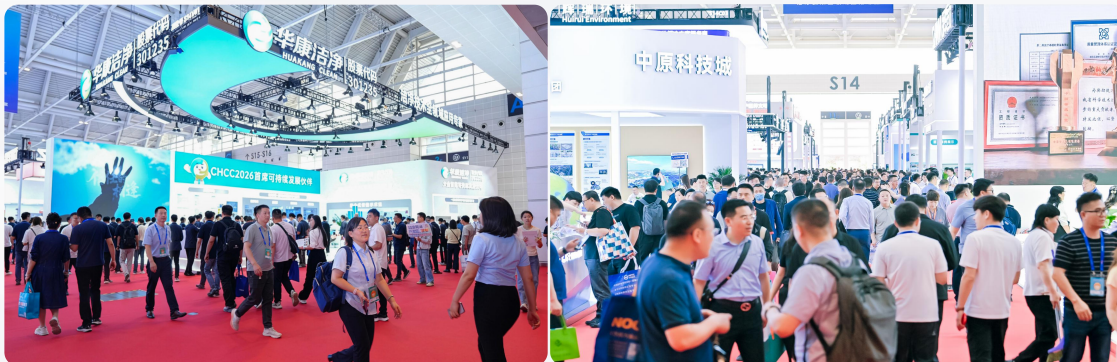

Delegataion Profile

Highlight 1: A Dynamic Exhibition, Efficient Business Connections

Exhibitor Profile

24.58%	Cleanroom Engineering & Support Solutions
16.90%	Sustainable Healthcare Materials
9.56%	Integrated Water, Power & Gas Systems Solutions
8.43%	Smart Hospital Solutions
7.88%	HVAC Innovation Solutions
6.12%	Medical Door Systems Solutions
6.61%	Hospital Transport Systems Solutions
6.09%	Integrated Design & EPC Solutions
5.58%	Facility Operations & Maintenance
5.52%	Healthcare Furniture Solutions
2.73%	Medical Equipment Solutions

Highlight 1: A Dynamic Exhibition, Efficient Business Connections

Solutions & Product Launches

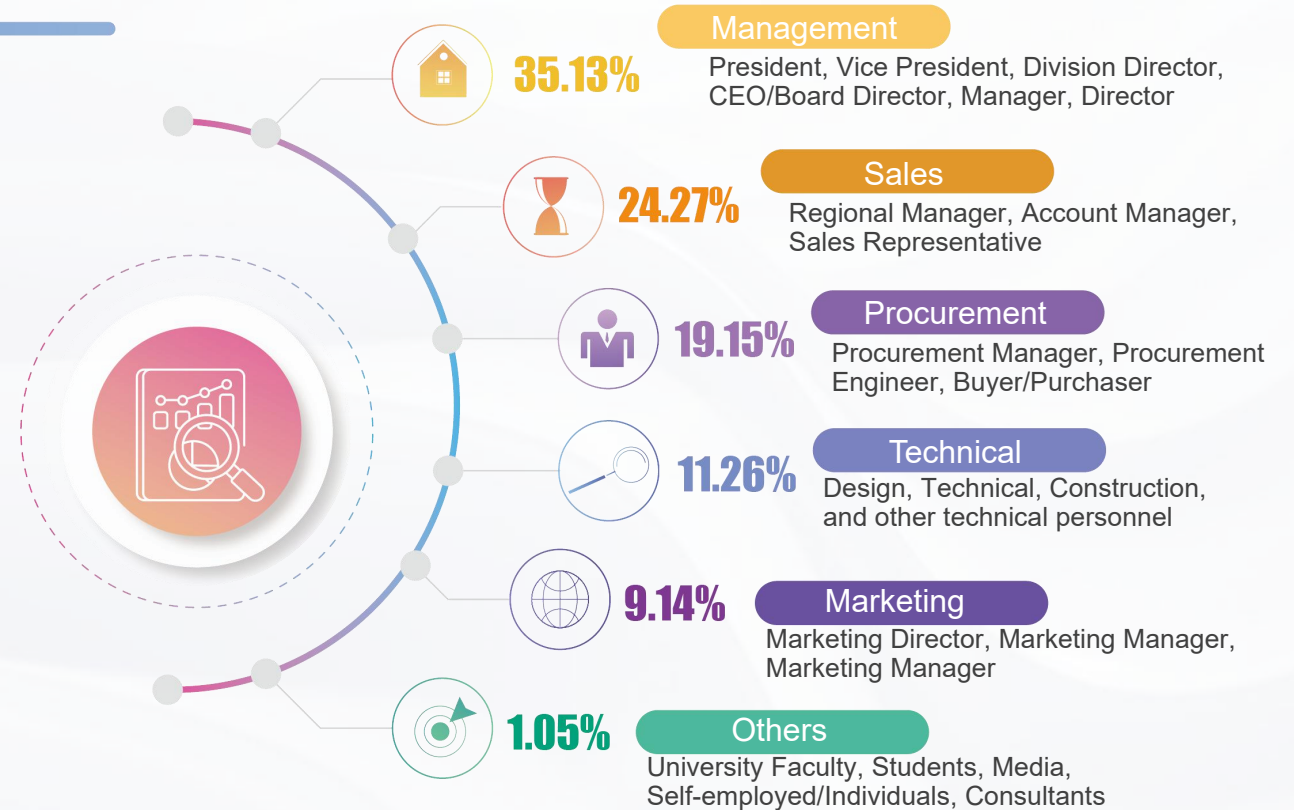

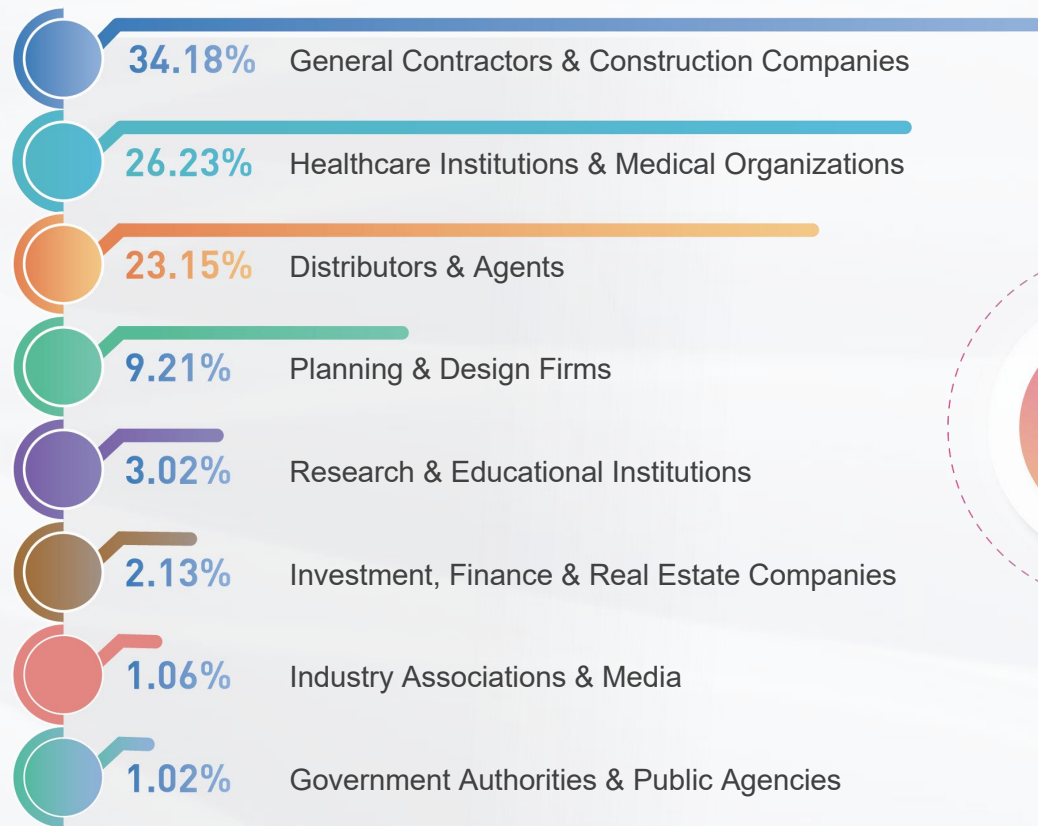

1,000+ Innovative Hospital Solutions on Display
Connecting Buyers with the Right Solutions to Enhance the Exhibition Experience and
Improve Decision-Making Efficiency

Highlight 1: A Dynamic Exhibition, Efficient Business Connections

Visitor Profile

In 2026, CHCC reached a new record of 57,931 professional visits, up 9.23% year-on-year, continuing five consecutive years of growth. Attendee surveys show that key objectives include tracking industry trends, meeting new suppliers, and sourcing high-quality solutions.

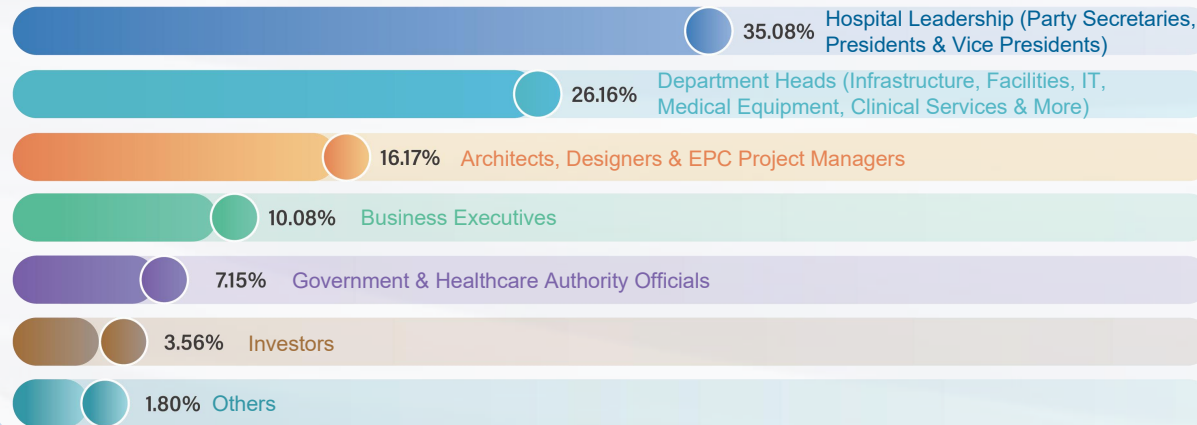

Highlight 2: A Premier Gathering of Healthcare Leaders

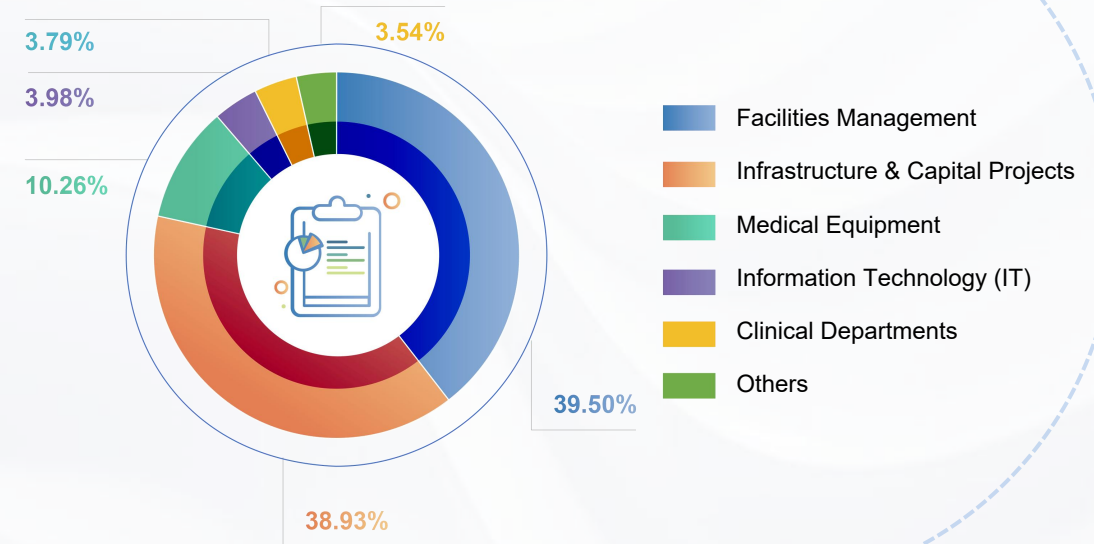

Where Healthcare Leaders Connect

CHCC 2026 welcomed 8,995 conference delegates, with 61.24% holding senior management and decision-making positions, including party secretaries, hospital presidents, vice presidents, and heads of infrastructure, facilities management, IT, medical equipment, logistics, and clinical departments.

Healthcare Institution Department Profile

Highlight 3: Uniting Global Resources, Strengthening International Partnerships

Building on its growing global influence, CHCC2026 further expanded its international engagement through a series of high-level forums. Highlights included the UK-China Modern Hospital Construction and Operations Practice Forum, the Singapore Hospital Construction Forum, the Belt and Road Hospital Construction & Overseas Project Matchmaking Conference, the 15th International Summit Forum for Hospital Architects, and the China–International Hospital Design Symposium. Together, these events created a premier platform for global dialogue, knowledge sharing, and collaboration in healthcare infrastructure.

Highlight 3: Uniting Global Resources, Strengthening International Partnerships

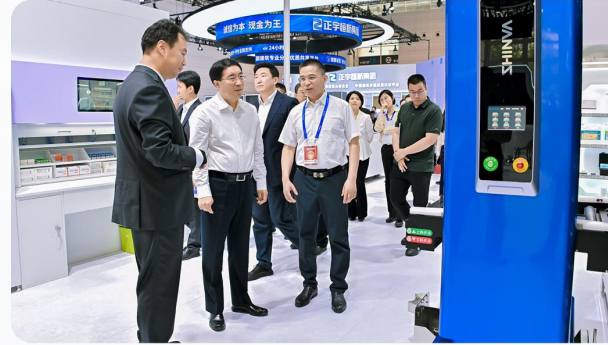

CHCC2026 further strengthened its international profile, bringing together leading healthcare brands from the United States, France, Germany, Sweden, Norway, Finland, Belgium, Italy, Switzerland, Japan, and other countries and regions, showcasing world-class technologies and solutions for healthcare infrastructure.

The event welcomed international buyers from 46 countries and regions, along with 15 overseas delegations, reinforcing CHCC's role as a premier global platform for hospital construction and healthcare infrastructure. To foster cross-border collaboration, CHCC2026 hosted exclusive business matchmaking sessions with MOH Holdings Singapore, creating valuable opportunities for project partnerships and procurement.

Highlight 4: Stronger Cross-Sector Partnerships

CHCC 2026 partnered with 91 organizations and associations, a 40% year-on-year increase. Partners span a wide range of healthcare ecosystem stakeholders, including local health commissions, industry associations, public institutions, research institutes, hospitals, and embassies in China, providing strong support for the event's resources and global reach.
