Global Ecosystem for Entire Hospital Construction Industry Chain

TH

CHCC2027

The 28th China Hospital Construction Conference
International Hospital Build and Infrastructure Exposition

May 22-24, 2027

Nanjing International Expo Center, China

CHCC—GLOBAL PREMIER HOSPITAL CONSTRUCTION EVENT

Having been held successfully for 27 consecutive editions, CHCC has evolved into a widely recognized industry platform in the hospital construction sector, bringing together academic insights and industry practice. The event offers a one-stop platform for healthcare infrastructure professionals to learn, network, and explore practical solutions.

Conference + Exhibition + CHCC Awards + Brand Activities

China Hospital Construction Conference

- **100+** Forums
- **1,000+** Speakers
- **10,000+** Participants

International Hospital Build and Infrastructure Exposition

- **80,000** Exhibition Space
- **800+** Exhibitors
- **60,000+** Professional Visitors

Integrated Architecture

CHCC Awards

Established in 2013, with 16 award categories, showcasing achievements, innovation, and best practices in hospital construction of all stages

Brand Activities

- CHCC Connect Programme
- Guided Exhibition Tour
- Hospital Tour

► Why Attend CHCC2027 ◀

Explore Integrated Solutions

The expo covers the entire hospital construction value chain—fully spanning hospital planning and design, mechanical and electrical systems, interior construction, specialized medical engineering, medical equipment, medical robotics, smart hospital technologies, and logistics and facility operations.

Learn from Global Experts

Latest trends and case studies from leading hospitals worldwide by listening insights from 1,000+ speakers in 100+ forums.

Connect & Collaborate

CHCC Awards, leadership talk livestream, new book launches, hospital tours and networking to drive strategic partnerships.

INTERNATIONAL HOSPITAL BUILD AND INFRASTRUCTURE EXPOSITION

Providing the whole supply chain of healthcare infrastructure

CHCC2027 features seven themed exhibition halls, showcasing the latest innovations and solutions across key areas of healthcare infrastructure, including efficient hospital operations, medical robotics applications, water & gas systems, operating room systems, specialized hospital systems, integrated healthcare and senior care, and healthcare space enhancement.

With 34 specialized exhibition zones, CHCC2027 presents comprehensive solutions covering the entire hospital construction supply chain. The event brings together 800+ leading solutions and 8,500+ innovative products and technologies, creating a one-stop platform for healthcare professionals to explore new ideas, discover advanced solutions, and connect with industry leaders in hospital construction worldwide.

Hall A: Efficient Hospital Operations Pavilion

- Hospital Support Services Zone
- Hospital Catering & Nutrition Zone
- Safety, Security & Emergency Management Zone
- Hospital Supply Chain Zone
- Energy & Facility Management Zone

Hall E: Specialized System Innovation Pavilion

- Smart Hospital Logistics & Transport Systems Zone
- Clean Environment & HVAC Systems Zone
- Electrical & Smart Building Systems Zone
- Waste Management & Parking Solutions Zone

Hall B: Medical Robotics & Intelligent Healthcare Pavilion

- Construction & Infrastructure Robotics Zone
- Smart Healthcare Robotics Zone
- Hospital Service Robotics Zone
- Surgical & Precision Medicine Robotics Zone
- Rehabilitation & Nursing Robotics Zone
- Medical Education & Healthcare Accessibility Robotics Zone

Hall F: Healthcare & Senior Living Pavilion

- Healthcare Furniture & Interior Component Solutions Zone
- Modular & Prefabricated Healthcare Construction Solutions Zone
- Smart Ward & Smart Senior Care Solutions Zone
- Age-Friendly & Accessibility Solutions Zone
- Rehabilitation, Nursing Equipment & Assistive Devices Zone
- Hospital Doors, Windows & Hardware Solutions Zone
- Smart Traditional Chinese Medicine (TCM) Solutions Zone

Hall C: Medical Water & Gas System Innovation Pavilion

- Hospital Water Supply, Drainage & Fire Protection System Zone
- Medical Gas System Zone

Hall G: Healthcare Space Enhancement Pavilion

- Hospital Design & EPC Solutions Zone
- High-performance Wall Materials Zone
- High-performance Flooring Materials Zone
- High-performance Ceiling Systems Zone
- Hospital Lighting Environment, Interior Design & Component Solutions Zone
- Hospital Signage & Accessibility Facility Solutions Zone

Hall D: Operating Room System Innovation Pavilion

- Operating Room Zone
- Laboratory Zone
- Sterilization & Air Purification Zone
- HVAC & Fresh Air Zone
- Imaging, IT & Shielding Zone
- AI & Surgical Robotics Zone

CHINA HOSPITAL CONSTRUCTION CONFERENCE

Your knowledge map for the entire hospital construction process

CHCC2027 will feature 100+ specialized forums covering the full spectrum of hospital construction. Designed for officials from the healthcare officials, industry leaders, academic experts, and senior executives, the program will facilitate in-depth, multi-dimensional discussions on healthcare system upgrading, hospital transformation, clinical discipline development, strategic planning and design, equipment planning and allocation, project management, intelligent facilities management, technological innovation, and industry globalization.

► 5 Conferences Held Together ◀

01 The 28th China Hospital Construction Conference

02 The 11th China Smart Hospital Conference

03 The 3rd China Hospital Logistics Construction and Management Conference

04 The 9th National Medical Care & Senior Service Organizations Construction and Development Conference

05 The 3rd China Medical Robotics (Agent) Application Conference

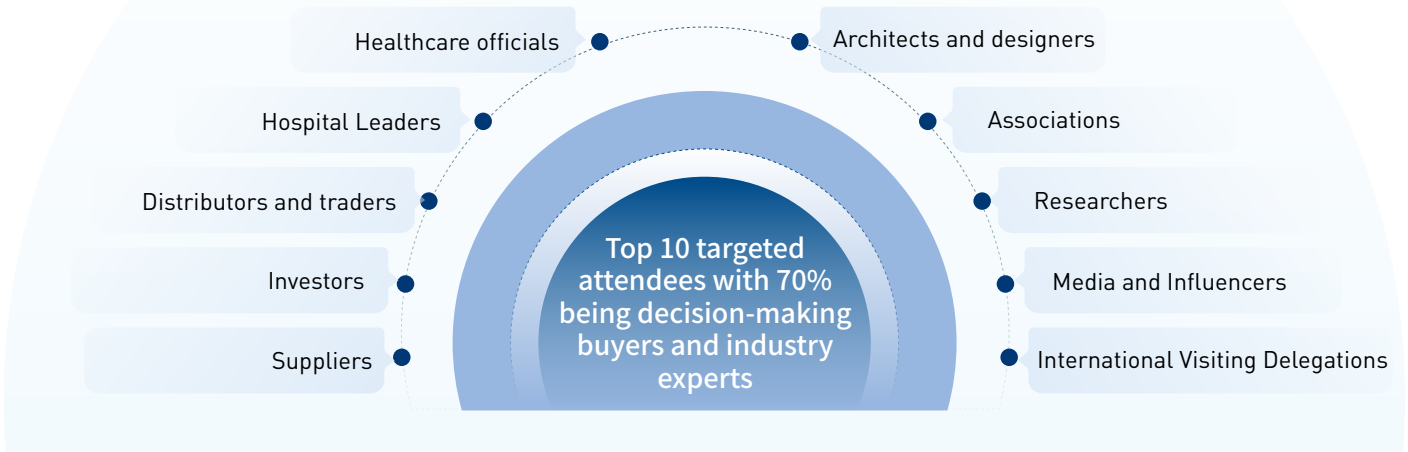

► The 3rd China Medical Robotics (Agent) Application Conference ◀

The 2nd China Medical Robotics (Agent) Application Conference showcased over 100 cutting-edge medical robotic products, covering a full range of innovations including surgical robots, rehabilitation robots, nursing robots, support robots, and medical delivery robots.

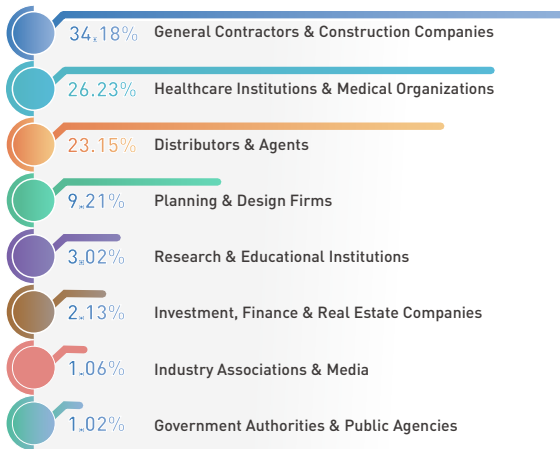

VISITORS, PARTICIPANTS AND PROGRAM

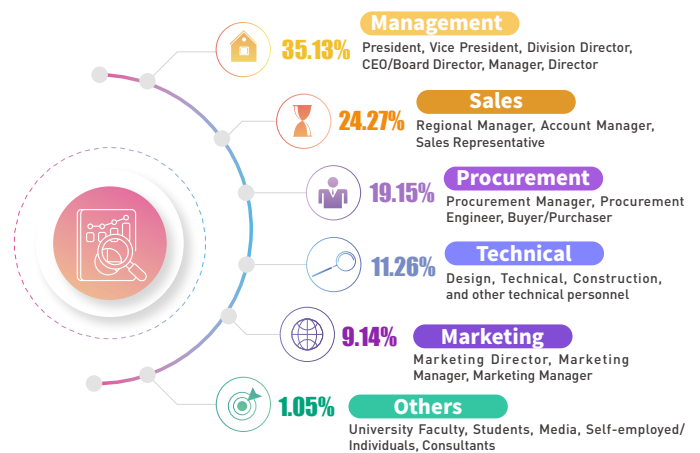

In 2026, CHCC reached a new record of 57,931 professional visits, up 9.23% year-on-year, continuing five consecutive years of growth. Attendee surveys show that key objectives include tracking industry trends, meeting new suppliers, and sourcing high-quality solutions.

EVENT ORGANIZERS

筑而瑞 Z&R Exhibitions

Z&R Exhibitions

Beijing Z&R Exhibitions Co., Ltd is a joint venture between Reed Sinopharm Exhibitions and Zhuyitai Technology. It is committed to focusing on the construction of good hospitals, building a professional platform for hospital construction and communication innovation worldwide, and hosting and planning online and offline conferences and exhibitions in the field of hospital construction. It owns the project of China Hospital Construction Conference & International Hospital Build and Infrastructure Exposition (CHCC).

Reed Sinopharm Exhibitions

Reed Sinopharm Exhibitions Co., Ltd. (Reed Sinopharm) is a leading organizer for exhibitions and conferences in the pharmaceutical, medical, healthcare, and related industries in China. The company is a joint venture between Sinopharm - the largest medical and healthcare group in China, and RX Global - a leading global event organiser.

Zhuyitai Technology Co., Ltd

Founding member of CHCC. Under the mission of "building better hospitals for China", Zhuyitai is dedicated to establishing an O2O innovative ecosystem platform in the field of hospital infrastructure in China. It provides a platform for resource integration and smart service in the field of hospital infrastructure.

Building Better Hospitals, Together

One Platform. Full Value Chain. Endless Opportunities
